Dear Mr. Shanoski,

We are writing in relation to the Decision on Petition ~~mailed on October 5, 2005~~, indicating the petition was dismissed since the previous Petitioner did not provide his signature.

Applicant therefore respectfully submits a renewed petition for acceptance of a fee deficiency submission under 37 C.F.R. 1.28(c). The above-identified application was filed on April 19, 2001, and the statutory filing fee in the amount \$355.00 for a small entity was paid. Such amount was one half the full statutory fee of \$710.00. A multiple dependent fee in the amount of \$135.00 was as well paid in the meantime. However, according to the formerly-appointed Petitioner, the fees were inadvertently paid in error. The status of the above-identified application should have been established as a large entity, and thus large entity fees should have been paid.

Accordingly, please charge the fee deficiency in the amount of \$870.00 (\$645.00 basic filing fee; \$225.00 multiple dependent claim fee) and any other fees required in connection with this renewed petition to Deposit Account No. 50-2620 (Order No.: 14536-US-PA). The detailed calculation is provided as follows:
